

# Flowerfly

**Wally Sosa ©2001**

**Materials:**

Flower beads

crochet hook #14 (to make joining easy)

Shuttle

Thread Size 20-30 for the Big and Medium Flowerfly

Thread Size 80 for the Small Flowerfly

**Instructions:**

Wind shuttle and don't cut the thread. Each "Flowerfly" takes about 1/2 yard of thread from the shuttle.

Shuttle Join or Lock Join to the bead; from the center to a space between petals.

**Big Flowerfly:**

CH: 15 – 2 — 2 – 15. Join to the space between petals.

CH: 10 – 2 — 2 – 10. Join to the space between petals.

CH: 10 – 2 — 2 – 10. Join to the space between petals.

CH: 15 – 2 — 2 – 15. Join to the space between petals.

Cut and Tie. Make a square knot and position the thread ends as antennae.

**Medium and Small Flowerfly:**

CH: 10 – 2 — 2 – 10. Join to the space between petals.

CH: 6 – 2 — 2 – 6. Join to the space between petals.

CH: 6 – 2 — 2 – 6. Join to the space between petals.

CH: 10 – 2 — 2 – 10. Join to the space between petals.

Cut and Tie. Make a square knot and position the thread ends as antennae.
